ADVERTISE IN THE FARMER

## FACE TORN BY ST. BERNARD DOG

A big St. Bernard dog kept to watch the barn where the outfit of John T. King, garbage contractor is housed, attacked Joseph Sarnack of 30 Steuben street, yesterday afternoon and tore his neck and face frightfully. The dog is owned by Henry Matthews, foreman for Mr. King, who with his brother lives at the barn 136 Eastwick avenue. Sarnack had been making friendly calls and was about to depart when the dog intercepted him on his way to the gate. Before the Matthews brothers could interfere Sarnack was badly bitten. He was taken to the emergency hospital where Dr. Krause cauterized and dressed his wounds. Six stitches were taken in his lip and a deep wound in the neck dressed.

## QUICK BURGLAR GETS OVER TRANSOM

The second hand store operated by Saul Geduldig at 457 Water street was entered by burglars yesterday morning and goods to the value of \$350 were removed. A large valise had been taken from the stock and filled with watches and jewelry which had been left in a show case on the counter. More than 25 watches were missing with dozen or more revolvers, razors, pocketknives, watch chains, rings and fine machinists' tools. The burglars entered through the transom and departed the same way, for there are no windows in the store and the front door was not disturbed. The show case was wrecked. The job must have been done quickly for patrolmen found the store every half hour and Watchman F. H. Tyrrell, makes his rounds every hour. It is possible that the burglary occurred after 4 o'clock in the morning when the patrolmen report at headquarters.

## A RELIGIOUS AUTHOR'S

STATEMENT.  
Rev. Joseph H. Fesperman, Salisbury, N. C., who is the author of several books, writes: "For several years I was afflicted with kidney trouble and last winter I was suddenly stricken with a severe pain in my kidneys and was confined to bed eight days unable to get up without assistance. My urine contained a thick white sediment and I passed same frequently day and night. I commenced taking Foley's Kidney Remedy, and the pain gradually abated and finally ceased and my urine became normal. I cheerfully recommend Foley's Kidney Remedy." F. B. Brill, local agent. \* 135

THE U. S. GOVERNMENT in its "Pure Food Law" does not "indorse" or "guarantee" any preparation, as some manufacturers in their advertisements would make it appear. In the case of medicines the law provides that certain drugs shall be mentioned on the labels, if they are ingredients of the preparations. Ely's Cream Balm, the well-known family remedy for cold in the head, hay fever, and nasal catarrh, does not contain a single injurious drug, so the makers have simply to print on the fact that it complies fully with all the requirements of the law.

### AMATEUR BASEBALL

At last the Beigal baseball team has awakened its lair in the jungle after a lethargy lasting for two years. That season of 1906 when they captured the City Junior League championship, and after that pulled the laurels from many larger victims, was too much for them, for in 1907 overburdened with their great successes they fell by the wayside and lost to inferior teams. This year they have secured the services of John Halpin, last season manager of the Sacred Heart team, as manager. Mr. Halpin will bring to his new field a wide range of experience and a number of his Sacred Heart players. Those who will wear the maroon and white uniforms of the Beigals this year will be Casey, Malone, Murray, Nichols, Slattery, Boynton, O'Leary, Finlayson, Fitzhenry, and a number of others whose names are withheld. The formal resurrection of the team will take place next Sunday morning at the Park City Rink.

At a mass meeting of the male employees of the Warner Bros. Co. held at the Seneca Institute, Saturday, the Warner Brothers Baseball Association was formed when a constitution and set of by-laws were adopted and the following officers elected: President, P. F. Roth; vice president, John Sharp; secretary, Frank Langhammer; treasurer, Frank Dantoff; manager of baseball team, Arthur Keppy. An application for a place in the Industrial League has been filed and will in all probability be accepted at the meeting of the league to be held tomorrow night. At present there are over forty candidates for positions on the team.

There will be a meeting of the managers of the Park City Baseball League this evening at the Boys' club when important business will be transacted and arrangements made for the opening of the season.

Quite a number of the members of the St. Joseph T. L. & B. Association took advantage of the spring weather yesterday and were out trying for the team which the Saints intend to put in the field this season. A manager and captain will be chosen at a meeting to be held next Sunday.

The West End Boys' club baseball team held their first practice yesterday afternoon at the circus grounds, where the Regulars defeated the Colts though the Regulars had to do some

tail hustling to do so. The manager expects to have a great team this summer and land the pennant in the Park City League. Next Sunday the Yost, Jrs., will play the club and the West End Boys' club will pick their regular team.
